Professional Summary

Experienced React Native Developer with a strong passion for mobile application development and creating intuitive, user-friendly UIs. Well-versed in the complete mobile development life cycle, from design to deployment.

Experience

Hero MotoCorp Ltd., Gurugram

Mobile Application Developer

May 2023 – Present

- Built and maintained cross-platform mobile applications (iOS & Android) using React Native with Redux-Saga for state management.
- Improved application performance using memoization techniques (useMemo, useCallback, memo).
- Optimized Image loading and caching using FastImage.
- Implemented Atomic Design Pattern to build scalable, reusable UI components.
- Integrated RESTful APIs.
- Implemented CleverTap push notifications, and in-app event tracking for analytics & user engagement.
- Converted Figma designs into responsive React Native UI components.
- Used GitLab and Microsoft Azure for version control.
- Generated production builds (APK & IPA) for deployment and conducted TestFlight testing for iOS builds.
- Developed and deployed two production apps — Freedo Rentals and Freedo Champion.

Education

Post Graduate Diploma in Advanced Computing (PG-DAC)

September 2022 - March 2023

C-DAC Noida, India

Bachelor of Engineering (BE) - Mechanical Engineering

Mumbai University
